

Class Descriptions

All classes are held at The Wellness Center located in Mill Race Center, 900 Lindsey St, Columbus.

Balance in Motion (1,2)

Class is designed to improve your balance by strengthening your feet, ankles and legs; improving coordination; and training core strength. It will help improve posture while enhancing reaction and focus.

Cardio & Osteo (2,3)

To improve your cardiovascular and bone health, this low impact aerobic and strength training class uses traditional floor aerobics, free weights, and resistance equipment to help strengthen your heart, muscles, and bones. Great to reduce the risk of osteoporosis, osteopenia, and osteoarthritis.

Exercise and Movement for Parkinson’s (1,2)

An exercise class that has been specially designed to improve symptom-specific concerns such as: mobility, posture, balance, and gait while reducing joint stiffness. This is accomplished through dancing, shadow boxing, stepping over obstacles, marching and simple games that make this a fun and relaxed way to improve your quality of life!

Muscle (2,3,4)

The participant will explore strength, toning, and functional benefits of this exercise class using a variety of resistance and weight equipment to improve body movement and overall health.

Silver Sneakers Circuit (2,3)

Fun class using low-impact, standing choreography alternated with standing upper body work with hand-held weights, elastic tubing, and Silver Sneakers balls.

Silver Sneakers Yoga (1,2)

You will move your whole body through a series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures to increase range of motion. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

Step (3,4)

Using an elevated platform with choreographed step combinations to increase heart rate and build cardiovascular endurance.

Step & Strength (2,3)

Step class with additional set of exercises added to increase muscular strength and endurance.

Step & Dance Aerobics (2,3)

Simple choreographed dance routines combined with step combinations to increase heart rate and build cardiovascular endurance for a fun, upbeat workout.

Yoga (2,3)

Moving through a series of Yoga postures to improve strength, flexibility and range of motion. Participants must be able to move from standing to floor exercises to find success in this class.

Yoga Basics (1,2)

This class is designed for beginners with a focus on basic postures. Adaptations can be given for those with medical issues.

Yoga-lates (2,3)

A fusion of Yoga (flow) and mat Pilates. Think core strength plus flexibility with emphasis on strengthening the core (abdominals, back, hips & glutes).
